Sir:

On or about February 2, 2004, applicant sent a Response to Written Opinion by fax to the Facsimile No.: (703) 305-3230. The attention of the attorney undersigned has been directed to the fact that the Response to Written Opinion, as filed, is incomplete. The replacement sheets which are required by Rule 66.8 of the Regulations under the Patent Cooperation Treaty were not included. Accordingly, applicant has prepared the missing replacement sheets and submits them herewith as part of the original Response to Written Opinion, both of which are faxed to the PTO pursuant to request from Examiner David Jones.
